**RE: *Bill Being Advertised re: Annexation
Survey of Territory Attached***

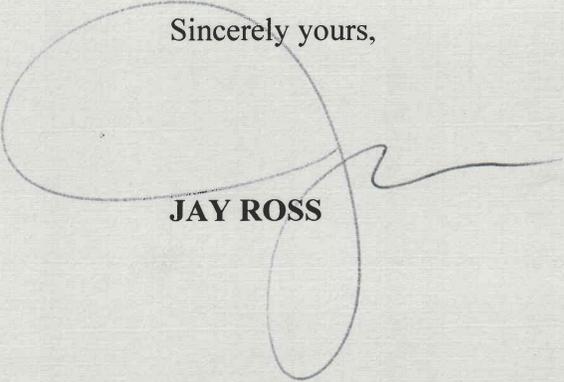

Dear Judge Davis:

A bill is currently being advertised by Chad Fincher proposing legislation for introduction in the ongoing Regular Session of the Alabama Legislature. This bill deals with the annexation by the Town of Mt. Vernon of approximately 871.18 acres of property in Mobile County. Attached is the legal notice that is currently being published.

As required by §11-42-6(b), Code of Alabama, 1975, a map showing the territory to be annexed and its geographical proximity to the municipality should be filed in the office of the Judge of Probate and open to inspection by the public. Accordingly, please find enclosed a survey of the property proposed for annexation showing its relationship to surrounding property and the Town of Mt. Vernon.

Thank you for your assistance in this matter.

Sincerely yours,

JAY ROSS
