Bishop State and Mobile County Probate Court partner to host mock election

MOBILE, Ala., (January 18, 2024) - Bishop State Community College and the Mobile County Probate Court are collaborating to organize a mock election for all Bishop State students prior to Alabama's 2024 Primary Election.

Who: Bishop State Community College
Mobile County Probate Court

What: A mock election for Bishop State students and the community

When: Thursday, January 25, 2024, from 10 a.m. – 12 p.m.

Where: Bishop State Community College - Lecture Hall
351 N. Broad Street; Mobile, AL 36603

Why: This event is designed to educate participants about the voting process. It will provide an opportunity to experience a voting process that is essentially the same as the formal process used in Mobile County's election polls on election day. It will also provide participants an opportunity to register to vote.

"As an educational institution, we know there are many invaluable lessons that go beyond the textbooks and classrooms," says Olivier Charles, President at Bishop State Community College.

"We want our students to participate in this mock election because it empowers them with the knowledge and practice of voting and instills in them a sense of civic duty and responsibility. We want to do whatever we can to help foster the next generation of informed and engaged citizens who will shape the future of our society."

Our media and community partners are welcomed to join us for this event.
